'mircea eliade the myth of the
eternal return orthodox

May 5th, 2020 - setting the scene
mircea eliade was a nineteenth
century romanian theorist who
emphasized that different
societies or cultures form myths
and rituals through contact with
the sacred the sacred for eliade
is not simply god gods as most
traditions would understand those
signifiers but it is instead a
transcendent eternal time outside
of the everyday actions and
things of the world'
