'annihilation is a rare example of lovecraftian film spoilers

April 10th, 2020 - after processing this movie for a few days i m ready to say that annihilation is a rare example of lovecraftian horror done right while the film is not necessarily a horror there are some scenes that definitely were chilling and disturbing but overall it was more of a thriller imo it utilizes many lovecraftian elements and i think we can all see it was clearly inspired by colour out of space'
