**May 21st, 2020 - etymology edit the term
shaman is a loan from the turkic word ?amán
the term for such a practitioner which also
gained currency in the wider turko mongol
and tungusic cultures in ancient siberia
shamanism played an important role in altaic
mythology tengriism which was the major
belief of xiongnu turkic hungarian and
bulgar peoples in ancient times incorporates
elements of shamanism'**

'shamanism

*October 21st, 2019 - shamanism is a practice
that involves a practitioner reaching altered
states of consciousness in order to perceive and
interact with what they believe to be a spirit
world and channel these transcendental
energies into this world beliefs and practices
that have been categorized as shamanic have
attracted the interest of scholars from a wide
variety of disciplines including anthropologists'*
